COMPLIANCE MANAGEMENT SYSTEM 5.0

Corporate Compliance Office

AGENDA

1. Compliance Management System 5.0
2. Compliance Organization
3. Reporting Line

1 COMPLIANCE MANAGEMENT SYSTEM 5.0

Definition of “Compliance“

The meaning of Compliance is:

- Behaviour according to the regulations
- of the Klöckner & Co Group as a whole
- its statutory bodies
- and **all** employees
- with regard to the abidance of all legal rules and regulations
- as well as to the corporate Guidelines

1 COMPLIANCE MANAGEMENT SYSTEM 5.0

Compliance Principles

- The Klöckner & Co SE Compliance Management System is based on the frame concept of the OECD* concerning the principles of good corporate governance, latest edition 2015.
- The CMS considers further the Compliance Principles of FCPA, UK Bribery Act and the German Corporate Governance Code.

* OECD = Organization for Economic Co-operation and Development, Paris, France
[G20/OECD Principles of Corporate Governance | READ online \(oecd-ilibrary.org\)](#)

1 COMPLIANCE MANAGEMENT SYSTEM 5.0

Compliance Targets

- Secure lawful behaviour of the Company, its legal representatives, Management and Staff on the basis of a corporate culture of trust
- Identification and reduction of risks resulting from compliance violations by preventive measures
- Earliest possible detection of compliance violations occurred
- Mitigation of damages in case of actual compliance violation and circumvention of its continuity by implementation of suitable measures
- Competitive advantage through compliant corporate governance

1 COMPLIANCE MANAGEMENT SYSTEM 5.0
