Disclaimer

This presentation contains forward-looking statements which reflect the current views of the management of Klöckner & Co SE with respect to future events. They generally are designated by the words “expect”, “assume”, “presume”, “intend”, “estimate”, “strive for”, “aim for”, “plan”, “will”, “endeavor”, “outlook” and comparable expressions and generally contain information that relates to expectations or goals for economic conditions, sales proceeds or other yardsticks for the success of the enterprise. Forward-looking statements are based on currently valid plans, estimates and expectations and are therefore only valid on the day on which they are made. You therefore should consider them with caution. Such statements are subject to numerous risks and factors of uncertainty (e. g. those described in publications) most of which are difficult to assess and which generally are outside of the control of Klöckner & Co SE. The relevant factors include the effects of reasonable strategic and operational initiatives, including the acquisition or disposal of companies or other assets. If these or other risks and factors of uncertainty occur or if the assumptions on which the statements are based turn out to be incorrect, the actual results of Klöckner & Co SE can deviate significantly from those that are expressed or implied in these statements. Klöckner & Co SE cannot give any guarantee that the expectations or goals will be attained. Klöckner & Co SE – notwithstanding existing legal obligations – rejects any responsibility for updating the forward-looking statements through taking into consideration new information or future events or other things.

In addition to the key figures prepared in accordance with IFRS and German-GAAP respectively, Klöckner & Co SE is presenting non-GAAP key figures such as EBITDA, EBIT, Net Working Capital and net financial liabilities that are not a component of the accounting regulations. These key figures are to be viewed as supplementary to, but not as a substitute for data prepared in accordance with IFRS. Non-GAAP key figures are not subject to IFRS or any other generally applicable accounting regulations. In assessing the net assets, financial position and results of operations of Klöckner & Co SE, these supplementary figures should not be used in isolation or as an alternative to the key figures presented in the consolidated financial statements and calculated in accordance with the relevant accounting principles. Other companies may base these concepts upon other definitions. Please refer to the definitions in the annual report.

Rounding differences may occur with respect to percentages and figures.

The English translation of the Annual Report and the Interim Statement are also available, in case of deviations the German versions shall prevail.

Evaluating statements are unified and are presented as follows:

+/- 0-1%	constant
+/- >1-5%	slight
+/- >5%	considerable

04 Dividend policy

DIVIDEND POLICY

In general, Klöckner & Co SE follows a **dividend policy** of distributing **30% of net income** before special items.

Given the **volatility** of our business model, a sustainable **dividend payment** can not be guaranteed. If there is a **possibility of dividend distribution**, we will do it for the **benefit of our investors**.

- Compliance with the dividend policy of €0.80 per share for the years 2006 and 2007
- Suspension of the dividend policy for the financial year 2008 in view of the beginning of the **Euro crisis** and no dividend payment
- **Due to earnings** no dividend payment in 2009
- **Inclusion** of our general dividend policy in financial year 2010 with a dividend of €0.30 per share
- **Due to earnings** no dividend payment in 2011, 2012 and 2013 as well as in 2015
- **Full distribution** of net profit for the financial year 2014 (€0.20 per share)
- Dividend payment of €0.20 per share in 2016 and **€0.30 per share for the 2017 fiscal year**
- **Dividend per share for the 2018 fiscal year: €0.30*)**

04 Sustainability strategy

A **qualified** and **motivated** workforce of **employees** who feel at ease in the workplace pave the way for us to generate **added value**.

An **integral part** of our corporate culture is **compliance** on the part of our employees and business partners, constituting the **basis of corporate responsibility**.

One of the **greatest challenges** of our times is **climate change**, and we consider it our duty to counter related risks with a suitable **contribution** to **protecting the environment**.

In many cases today's tasks have increased in **complexity**. The measures developed by us therefore aim at anchoring **modern, digital ways of working and thinking** in the company and thus to advance the **internal cultural change**.

The **high level of customer satisfaction** - which we aim to continue improving - is a key **competitive advantage** for us. Therefore we always conceptualize **products and services, sales channels and innovations** from the customer perspective.
