- Conversion price set at EUR 28.00 / premium of 35.07%
- Proceeds of EUR 186.2 million to support long-term growth Strategy Klöckner & Co 2020

The Management Board of Klöckner & Co SE ("Klöckner & Co") announces the pricing of its offering of EUR 186.2 million unsubordinated unsecured convertible bonds (the "Bonds") which may be initially converted into 6,650,000 common shares of Klöckner & Co. The placement of the Bonds took place today by way of an accelerated bookbuilding to institutional investors outside of the U.S. only. Klöckner & Co intends to use the issue proceeds for its stated external expansion strategy "Klöckner & Co 2020" and for general corporate purposes.

The Bonds will be issued by Klöckner & Co Financial Services S.A. (the "Issuer"), a wholly-owned Luxembourg subsidiary of Klöckner & Co, guaranteed by Klöckner & Co, and will be convertible into new or existing shares of Klöckner & Co.

The Bonds will have a maturity of 7 years. The coupon of the Bonds was fixed at 2.50 % per annum being at the low end of the indicated range of 2.50 % to 3.00 % per annum. Holders of the Bonds will be entitled to require the early redemption of the Bonds on the fifth anniversary of the Settlement Date at the principal amount together with accrued interest. The Issuer cannot call the Bonds for redemption before the fifth anniversary of the Settlement Date, and thereafter only if the share price of Klöckner & Co (over a specified period) exceeds 130 % of the then prevailing conversion price. The conversion price has been set at EUR 28.00, which represents a premium of 35.07% above the reference price of EUR 20.73.

Gisbert Rühl, CEO/ CFO of Klöckner & Co SE: “Today’s issuance of the convertible bond is a further important step in the pursuit of our Klöckner & Co 2020 strategy and will support us in achieving our growth target to become the first global multi metal distributor.”

Credit Suisse and Goldman Sachs International are acting as Joint Bookrunners, Joint Lead Managers and sole syndicate members for the offering.

From the announcement of the final terms of the Bonds, the Joint Bookrunners may, to the extent permitted by and in accordance with applicable laws and directives, effect transactions with a view to supporting the market price of the Bonds and the Shares at a level higher than that which might otherwise prevail. Such stabilising, if commenced, may be discontinued at any time and must be brought to an end no later than the earlier of 30 days after the settlement date and 60 days after the date of allotment of the Bonds. If commenced, such stabilising may lead to a market price of the Bonds or the Shares which may be higher than the level that would exist if no such stabilising measures were taken and may indicate to the market a price stability which without such stabilising might not prevail. However, there is no obligation on the Joint Bookrunners to engage in such stabilisation activities and such stabilisation, if commenced (which may not occur before the final terms of the Bonds have been announced), may be discontinued at any time.
