Duisburg, Germany, January 27, 2017 – As part of the One Europe strategy to further concentrate on its core markets, Klöckner & Co SE sells its Spanish activities to Hierros Añon S.A. based in A Coruña, Spain. An agreement on the sale and purchase of Klöckner & Co's Spanish subsidiaries including the operating business unit, Kloeckner Metals Ibérica S.A., has been signed by the two companies. The closing of the transaction took place today. With its approximately 350-strong workforce, the Kloeckner Metals Ibérica Group generated sales of €120 million in the past fiscal year, accounting for roughly 2% of Klöckner & Co Group sales. The Kloeckner Metals Ibérica Group's earnings before taxes (EBT) was most recently negative due to the continued difficult economic environment in Spain. Net debt of Klöckner & Co is expected to come down significantly by the expected cash inflow from the sale.
